Transfigured

John Cologon

I walk a - lone in con - fu - sion / Try - ing to find my way
Where is the time for re - flect - ion / In our world to - day?

You em - brace my dis - ill - u - sion / Keep - ing my ball in play / Your grace can pen - e - trate __
What dic - tates our di - rect - tion? / It can be hard to say / But when I turn to you __

Each place I des - e - crate ___ / If I can let You in __ / The heal - ing can be - gin ___
And let Your Light shine through __ / You can re - new my soul _ / Your Love can make me whole __

And my life is trans - fig - ured / In - ner depth re - con - fig - ured

Way - ward thoughts re - con - sid - ered / Heart re - fined ____ / Yes, my life is trans - fig -

- ured / Why had I not con - sid - ered / Your love is so much big - ger / Than my mind

Trans - fig - ured!
